AS REQUIRED FOR EDUCATIONAL LEADERS

EXECUTIVE COACHING

Individual executive coaching offers leaders the opportunity to work with a coach to focus on enhancing performance, wellbeing and success.

At GCI we coach leaders at any level, from experienced principals to newly appointed team leaders. All our coaches are GCI qualified and highly experienced, most come from the education sector - so you receive the support and industry knowledge essential to help you achieve your coaching goals.

Executive Coaching is for those wishing to work with a coach over an extended period in order to progress medium to longer term development goals.

BESPOKE COACHING

Bespoke sessions are brief, focused and flexibly scheduled coaching sessions.

Whether it's a challenge or an opportunity, connecting with a coach can provide clarity, focus and momentum. By having two (or more) coaching conversations at pre-arranged, mutually convenient times, you will be able to make better decisions and progress more quickly towards important objectives.

Bespoke coaching sessions can be requested as 'standalone' sessions or they can be added to broader consultancy projects.
