

STUDENTS COACHING STUDENTS

OTHERS SAY...

“The Students as Peer Coaches program has been an absolute success and has allowed our students to increase their agency in learning, allowing our students to be more confident and competent. The students’ increased ability to communicate their goals and aspirations made learning a more collaborative and inspiring process for both the students and the teachers involved.”

Matt Aukett Associate Principal
Meadowbank Primary School
(formerly Auckland Normal Intermediate School)

TRAIN THE TRAINER

FOR SCHOOLS SEEKING TO TRAIN STUDENTS AS PEER COACHES TO BUILD AGENCY & ENHANCE THEIR LEARNING

The Students Coaching Students program is proving to be a very successful way for schools to equip students with the skills to work together; to reflect on their learning goals; expand, refine, and build new skills; share ideas; teach one another and solve problems in their school community.

Designed to build knowledge, skills and confidence to enable school leaders to successfully implement a Students Coaching Students program within their schools, the program follows a comprehensive eight stage process:

1. Building the Relationship and Champion Group
2. Raising Awareness
3. Train the Trainer
4. Student Recruitment
5. Training the Student Coaches
6. Student Coaching
7. Reflective Practice
8. Celebrating Success

THIS PROGRAM IS DESIGNED TO:

Provide students with an understanding of the GROWTH Coaching system including:

- A student-friendly version of the GROWTH Model
- 8 Key Coaching skills
- A Coaching ‘Way of Being’

INCLUDES:
